CONTENTS

I. Why this category, Why now

- Why 3C & Lifestyle add-ons matter for daily goods retailers
- Key pain points you are facing today

II. What C&T can offer

- C&T delivers one-stop sourcing and product solutions, with 30 high-turnover daily products and an optimized shelf layout

III. How we work together

- Recommended shelf structure for daily goods retail: 60% Basic functional styles; 25% Upgraded fashion styles; 15% Themed & seasonal styles
- Basic high-turnover items: Focused on anti-yellowing, high transparency, and protection performance
- Trendy high-turnover items: Target mainstream consumers, with higher basket value and improved margins
- Basic lifestyle items: Focused on everyday casual use, ideal for “pick-up-on-the-go” purchases
- Themed sets: Cross-selling opportunities that increase overall basket value

IV. Who already works with us

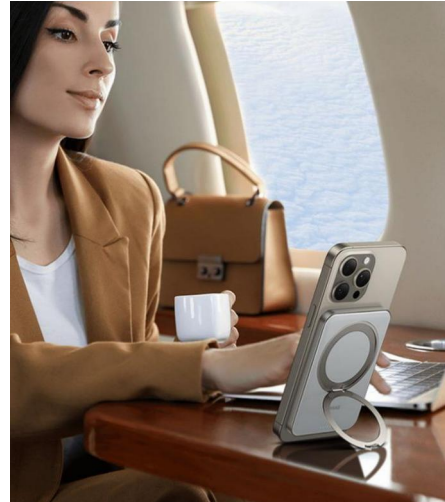

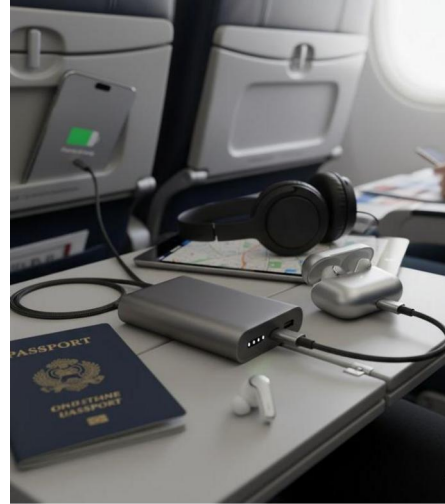

- Client Cases

Why this category, Why now

- Customers carry multiple devices, cables and accessories every day.
- They expect convenient, good-looking and affordable solutions in one stop.

Key pain points you are facing today

- Low sales from tech accessories shelf.
- Margin structure not ideal: cheap items move, profitable ones are slow.
- Too many SKUs and suppliers – hard to manage.

Who we are & What we do for you?

We offer one-stop sourcing for digital accessories and lifestyle products.

Based on your customer group, we offer product solutions that are reasonably priced, high-quality, and easy to sell.
