1 New Art Deco

Keywords: Checkerboard / Arch / Fan Shape / Geometric Pattern / Chrome & Brass

red marble bathroom: +80%

antique bar cart: +100%

brass aesthetic: +35%

leather banquette: +35%

The Art Deco trend is getting a modern twist: Shiny, sleek and tuned to 2026. After years of heavy minimalism, Gen X and Millennials are bringing this retro aesthetic back with crisp chevrons, fan arches and other geometric hits, all edged in chrome or brass. Bold, glam—and just a touch eccentric.
